

Deepwater Horizon Oil Spill NRDA Early Restoration Project Scoping

The Louisiana Natural Resource Damage Assessment (NRDA) Trustees are soliciting restoration projects by June 25, 2011 for consideration for potential inclusion in an early restoration plan.

Projects submitted after this date and those not selected for the initial phase of early restoration planning will be considered for future stages of both early and long-term restoration.

To learn more about Early Restoration or to submit a restoration project, please join us for a public meeting at 5:30 pm on June 20, 2011.

Room 110, Weinmann Hall
Tulane University School of Law
6329 Freret Street
New Orleans, LA 70118

Projects may also be submitted online at:
<http://losco-dwh.com/>
